Request for Certificate Of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322.

Respecting the alleged errors in claim 1, line 14 inspection of the application file reveals it is printed in accordance with the record. There being no fault on the part of the Patent Office, it has no authority to issue certificate of correction (s) under United States Code of Federal Regulation (C.F.R.) 1.322.

In view of the foregoing, your request in this matter is hereby **denied**.

Further consideration will be given upon receipt of a Request for Reconsideration, which should be directed to Decisions and Certificate of Correction Branch. Requests for Reconsideration should be accompanied by appropriate fee, which is presently \$100. Additional support (e.g. copy of amendments, post card receipts, containing requested data or changes) and/or brief statements of facts, as requested, along with corrected drawings may also be submitted.

A certificate of correction will be issued to correct the remaining errors mentioned in your request.
